

PROFILE

A skilled web developer with experience in Node.js and JavaScript, holding a post-graduate degree in Computer Science (2023). Enthusiastic about crafting content and engaging in technical content writing. Actively seeking opportunities to merge technical prowess with imaginative communication in the online domain.

WORK EXPERIENCE

Senior Web Developer Jun 2023 - Present

Sankalp Food Products, Pune

- Promotional Website Development:** Successfully designed and developed a promotional website utilizing HTML and CSS, showcasing the organization's products and services, & enhancing online visibility and user engagement. Link: <https://www.sankalpfoodproducts.com/>
- Web Application Development:** Created two essential web applications - one for Human Resource Management System (HRMS) and another for billing, streamlining internal processes. Currently, actively engaged in enhancing the HRMS application to align with management's evolving needs and requirements, ensuring optimal functionality and user experience.

Web Developer Apr 2022 - May 2023

RA TechnoSoft, Pune

- Web Development:** Proficiently implemented & applied a wide range of technologies, including basic & advanced JavaScript, MySQL, REST APIs, and Node.js, while actively contributing to the successful completion of two projects during previous employment. Acquired valuable expertise in independent problem-solving and code debugging through mentorship from senior developers.
- Content Creation:** Produced diverse content, including marketing materials and technical documentation, catering to various audiences and objectives. This involved creating content that effectively communicated complex technical concepts and engaged readers with creative and informative narratives.

Associate Content Writer Aug. 2021 - Dec. 2021

Straight Angles Media Solutions Pvt Ltd, Pune

- Blog Content Creation:** Developed engaging and informative content for the company's blog website, "The Postman," with a focus on diverse topics. Contributions can be viewed at [The Postman - Heramb's](#) Author Page.
- Social Media Promotion:** Produced compelling content for clients' social media accounts, primarily Twitter, effectively promoting their brand and engaging their audience. Crafted press notes for multiple events, contributing to successful event coverage and communication.

PROJECTS

Fitness Company Website

Aug 2023 - Present

Freelancing Project

- Under development using HTML5, CSS3 and JavaScript

Online Retail Shop Management

Sept 2022 - Jan 2023

Academic Project

- Leveraged the power of the MERN (MongoDB, Express.js, React.js, Node.js) stack to build a robust and scalable solution. The system ensures smooth customer interactions, and efficient order processing, providing an enhanced shopping experience for both retail consumers and business partners.
- Developed a comprehensive system that seamlessly caters to both B2C and B2B customers. The platform offers a user-friendly interface for individual customers (B2C) to browse and purchase products, while also facilitating bulk ordering, personalized pricing, and account management for business clients (B2B).

Tourism Company Website

Aug 2022 - Sept 2022

Freelancing Project

- Developed using HTML5, CSS3 and JavaScript
- Link to website: <https://www.qubertours.com/>

VOLUNTEER EXPERIENCE

Volunteer

Jan 2023 - Present

Vivekananda Rock Memorial and Vivekananda Kendra, Kanyakumari

- As a dedicated volunteer at Vivekananda Kendra, a spiritually-oriented Service Mission, I have been guided by the noble principles of "Renunciation and Service" inspired by Swami Vivekananda's vision of "Man Making – Nation Building." My engagement encompasses diverse activities within Vivekananda Kendra Kanyakumari, Pune Branch.
- Collaborating with Vivekananda Kendra's IT team to contribute to their software development initiatives.
- Crafting impactful content & designs for Vivekananda Kendra, Pune.

Volunteer

May 2019 - Jun 2019

Honourpoint Foundation

- Honourpoint is an online memorial to honor, appreciate and remember the spirited and valiant sons and daughters of India, who had the distinction of serving the country in "military uniform", and are no longer with us!
- To gather data on previous battles, conflicts, and wars to showcase the courage of Ex-servicemen of the Indian Armed Forces.
